## *San Jose California*

In the heart of Silicon Valley, the mecca of high tech, San Jose is part of a contemporary, high-tech metropolis, home to major players in the world of technology including Google, eBay, Twitter and Facebook. It is the largest city in Northern California, with a population over one million. Attracted by mild Mediterranean weather and high wages, people from around the world have made their home in San Jose, creating the most ethnically diverse city in the nation. Add a low crime rate and a spacious, wide open feeling and you have one of the most livable, family-friendly locations in the west. The San Jose International Airport makes travel easy and proximity to San Francisco, Santa Cruz, and the wine country provide wonderful day trip destination getaways.

### **Outdoors and Athletics**

With 300 days of sunshine per year, you can imagine San Joseans take good advantage of their parks and open spaces. Many walking and biking trails within the city limits provide glimpses of nature during your green commute. Local sport fans are proud of their NHL hockey team the San Jose Sharks, as well as the major soccer league team the San Jose Earthquakes. These pro games are events you won't want to miss.

### **Food and Local Agriculture**

Once known more for apricots, plums and grapes than silicon, the fertile Santa Clara valley supplies a rich harvest of produce that can be seen on display at many area farmers' markets. As one of the oldest wine producing regions in California, Santa Clara valley has many wineries offering tours and tastings daily. Replete with international cuisine and fine restaurants, the quality and variety of dining experiences in San Jose are something to savor.

### **Arts and Culture**

Thanks to a special city ordinance, public art is on the rise in San Jose and many pieces can be seen throughout the city in parks and downtown areas. The celebration of art and culture continues with many community events, performance companies, galleries and museums, including the renowned contemporary San Jose Museum of Art. One of the busiest venues in the world, the HP Pavilion hosts major musical acts, sporting events and conferences. The cosmopolitan Santana Row district combines shopping, dining, living and relaxing all in a beautiful tree-lined atmosphere.

Silicon Valley slowly replaced the agriculture food companies which gave San Jose its initial nickname, "The Valley of the Heart's Delight." With a population of close to four million, Silicon Valley sits in the South Bay portion of the San Francisco Bay area. Home to many of the world's largest technology corporations, it continues to be the leading hub for high-tech innovation and development.
