Definitions

- “Number of Students Who Began the Program” means the number of students who began a program who were scheduled to complete the program within 100% of the published program length within the reporting calendar year and excludes all students who cancelled during the cancellation period.
- “Students Available for Graduation” is the number of students who began the program minus the number of students who have died, been incarcerated, or been called to active military duty.
- “Number of On-time Graduates” is the number of students who completed the program within 100% of the published program length within the reporting calendar year.
- “On-time Completion Rate” is the number of on-time graduates divided by the number of students available for graduation.
- “150% Graduates” is the number of students who completed the program within 150% of the program length (includes on-time graduates).
- “150% Completion Rate” is the number of students who completed the program in the reported calendar year within 150% of the published program length, including on-time graduates, divided by the number of students available for graduation.
- “Graduates Available for Employment” means the number of graduates minus the number of graduates unavailable for employment.
- “Graduates Unavailable for Employment” means the graduates who, after graduation, die, become incarcerated, are called to active military duty, are international students that leave the United States or do not have a visa allowing employment in the United States, or are continuing their education in an accredited or bureau-approved postsecondary institution.
- “Graduates Employed in the Field” means graduates who beginning within six months after a student completes the applicable educational program are gainfully employed, whose employment has been reported, and for whom the institution has documented verification of employment. For occupations for which testate requires passing an examination, the six-month period begins after the announcement of the examination results for the first examination available after a student completes an applicable educational program.
- “Placement Rate Employed in the Field” is calculated by dividing the number of graduates gainfully employed in the field by the number of graduates available for employment.

STUDENT'S RIGHT TO CANCEL

ENROLLMENT CANCELLATION (WITHDRAWAL) – FULL REFUND

Students have the right to cancel their contract for enrollment at Five Branches University and obtain a refund of charges paid through attendance at the seventh day after Term begins. To do so they must obtain a Withdrawal form from the Registrar's Office. If they are unable to do so, a letter, e-mail or fax addressed to the Registrar with the Student's signature stating your cancellation of enrollment will be accepted. Deadline to cancel program enrollment and obtain a full-refund: Sunday, January xx, 20xx.

If enrollment is canceled by the stipulated deadline, the University will refund the student any tuition monies paid, less a registration or administration fee not to exceed \$250.00, and less any deduction for equipment not returned in good condition, within 45 days after the notice of cancellation is received. The amount refunded for a student who has received Title IV Financial Aid will be returned to the direct loan program to reduce the Student's federal direct loan debt.

Withdrawal form and letter of resignation should be sent to: Five Branches University, Attn: Registrar. San Jose Campus: 1885 Lundy Avenue, Suite 108, San Jose, CA 95131. Fax (408) 261-3166. Santa Cruz Campus: 200 7th Avenue, Santa Cruz, CA 95060. Fax (831) 476-8928

ENROLLMENT CANCELLATION (WITHDRAWAL) – PRO-RATED REFUND

A Student wishing to terminate enrollment must state this in writing on a Withdrawal Form to the Registrar. The effective date of cancellation is the date postmarked or turned in to the Registrar. Students who cancel enrollment after classes have begun will be given tuition refunds that are prorated according to the percentage of the class time remaining in all courses in which the Student was registered.

Students may withdraw from a course after instruction has started and receive a prorated refund for the unused portion of the tuition and other refundable charges if the Student has completed 60% or less of the enrollment period. For example, if the Student completes only 25% of a 1 unit (16-hour) course and paid \$315 tuition, the Student would receive a refund of \$226.25 for the 75% of a 1 unit (16 hours) class time not attended.

The amount refunded for a student who has received Title IV Financial Aid will be returned to the direct loan program to reduce the Student's federal direct loan debt. If the University cancels or discontinues a course or educational program, the school will make a full refund of all charges.

CHANGE IN ENROLLMENT STATUS – DROPPED COURSE(S)

To obtain a full refund, a Student must submit a drop form no later than the fifth business day of the term. If you choose drop a course after five business days have lapsed, a Student may obtain a prorated refund for the unused portion of the tuition if 20% or less of the course time has lapsed. For example, if the Student completes only 12.5% of a 1 unit (16-hours) course and paid \$298 tuition, the Student would receive a refund of \$260.76 for the 87.5% of a 1 unit (16-hours) class not attended.

Please note that there is no refund for course absence(s) of any period during a term or session, or for dropping a course after 20% of the course time has lapsed.

If the University cancels or discontinues a course, the school will make a full refund of all charges. Credited amounts can either be applied to the following term's tuition, or refunded upon request.
